SUBJECT INDEX, VOLUME 25, 2005

A

ACCESS TO HEALTH CARE

The coming crisis in access to oral health care (Editorial). Holtzman, J.M. 273

ADELAIDE DENTAL STUDY OF NURSING HOMES

Caries incidence and increments in Adelaide nursing home residents. Chalmers, J.M., et al. 96

ADVERSE EVENTS

Effect of reinforced laryngeal mask airway or endotracheal intubation anesthesia on adverse events: quality of life issues for dental patients requiring general sedation. Hung, W-T., et al. 188

AFRICAN AMERICANS

Perceptions of dental care need among African-American elders: implications for health promotion. Slaughter, A., et al. 158

Racial differences in salivary sIgA concentrations in postmenopausal women, Johnson, R.B. 145

AGED

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

A self-reported survey of Alzheimer's centers in Southwestern Pennsylvania. Vergona, K.D. 164

A systematic review of oral health assessment by nurses and carers for residents with dementia in residential care facilities. Chalmers, J.M., et al. 227

AGING

Oral health in aging societies: a global view (Editorial). Ettinger, R. 225

Racial differences in salivary sIgA concentrations in postmenopausal women, Johnson, R.B. 145

ALZHEIMER'S DISEASE

A self-reported survey of Alzheimer's centers in Southwestern Pennsylvania. Vergona, K.D. 164

ANESTHESIA, ENDOTRACHEAL INTUBATION

Effect of reinforced laryngeal mask airway or endotracheal intubation anesthesia on adverse events: quality of life issues for dental patients requiring general sedation. Hung, W-T., et al. 188

ANESTHESIA, GENERAL

Effect of reinforced laryngeal mask airway or endotracheal intubation anesthesia on adverse events: quality of life issues for dental patients requiring general sedation. Hung, W-T., et al. 188

ANESTHESIA, REINFORCED LARYNGEAL MASK

Effect of reinforced laryngeal mask airway or endotracheal intubation anesthesia on adverse events: quality of life issues for dental patients requiring general sedation. Hung, W-T., et al. 188

APHTHOUS ULCERS, RECURRENT

Thalidomide in the management of recurrent aphthous ulcerations in patients who are HIV-positive: a review and case reports. Shetty, K. 236

ATTITUDE TO DENTAL CARE

Perceptions of dental care need among African-American elders: implications for health promotion. Slaughter, A., et al. 158

AUSTRALIA

Caries incidence and increments in Adelaide nursing home residents. Chalmers, J.M., et al. 96

Factors associated with self-reported use of dental health services among older Greek and Italian immigrants. Marino, R., et al. 29

AUTISM

Autism: acknowledging the heritable aspects of illness as possible barriers to successfully marshaling family assistance (Editorial). Friedlander, A.H. 177

B

BACTERIAL TRANSMISSION

Arbitrarily primed polymerase chain reaction for fingerprinting the genotype identification of *mutans streptococci* in children with Down syndrome. Barone, S., et al. 37

C

CANADA

Patients with oropharyngeal cancer. A comparison of adults living independently and patients living in long-term care facilities. Epstein, J.B., et al. 124

CANCER, OROPHARYNGEAL

Patients with oropharyngeal cancer. A comparison of adults living independently and patients living in long-term care facilities. Epstein, J.B., et al. 124

CASTILLO MORALES THERAPY

Cephalometric evaluation of children with Down syndrome after early intervention with the stimulating plate. Korbmacher, H., et al. 253

CAUCASIANS

Racial differences in salivary sIgA concentrations in postmenopausal women, Johnson, R.B. 145

CEPHALOMETRIC EVALUATION

Cephalometric evaluation of children with Down syndrome after early intervention with the stimulating plate. Korbmacher, H., et al. 253

CHEEK BITING

Prevention of habitual cheek biting: a case report. Romero, M., et al. 214

CHEWING

Chewing ability of the long-term hospitalized elderly. Peltola, P., et al. 260

CHILDREN

Cephalometric evaluation of children with Down syndrome after early intervention with the stimulating plate. Korbmacher, H., et al. 253

People with disabilities: how are we going to meet their needs (Editorial)? Waldman, H.B., et al. 93

CHROMOSOME DELETION

Cri du Chat Syndrome: a case report. Torres, C.P., et al. 286

CLASSIFIED ADVERTISING

No.1 (86), 2 (IBC), 3 (IBC), 4 (217), 5 (265)

CLINICAL TRIALS, CONTROLLED

A comparison of caries rates in non-institutionalized individuals with and without Down syndrome. Fung, K., et al. 302

COMPARISON STUDIES

A comparison of caries rates in non-institutionalized individuals with and without Down syndrome. Fung, K., et al. 302

Patients with oropharyngeal cancer. A comparison of adults living independently and patients living in long-term care facilities. Epstein, J.B., et al. 124

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

Thalidomide in the management of recurrent aphthous ulcerations in patients who are HIV-positive: a review and case reports. Shetty, K. 236

CORTICOSTEROIDS

Thalidomide in the management of recurrent aphthous ulcerations in patients who are HIV-positive: a review and case reports. Shetty, K. 236

CORTISOL

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

CRI DU CHAT SYNDROME

Cri du Chat Syndrome: a case report. Torres, C.P., et al. 286

CROSS-SECTIONAL STUDIES

A comparison of caries rates in non-institutionalized individuals with and without Down syndrome. Fung, K., et al. 302

D

DMFT

Caries incidence and increments in Adelaide nursing home residents. Chalmers, J.M., et al. 96

Coronal and root caries in the older Iowans: 9- to 11-year incidence. Hamasha, A. A-H., et al. 106

DELIVERY OF DENTAL CARE

Dental hygienists as providers in long-term care facilities. Pickard, R.B., et al. 19

Factors associated with self-reported use of dental health services among older Greek and Italian immigrants. Marino, R., et al. 29

Oral care in intensive care units: a literature review. Jones, H. 6

People with disabilities: how are we going to meet their needs (Editorial)? Waldman, H.B., et al. 93

The perceptions of homeless people in Stockholm concerning oral health and consequences of dental treatment: a qualitative study. De Palma, P., et al. 289

Xylitol in the prevention of oral disease. Kitchens, D.H. 140

DELIVERY OF HEALTH CARE

The coming crisis in access to oral health care (Editorial). Holtzman, J.M. 273

DEMENTIA

Caries incidence and increments in Adelaide nursing home residents. Chalmers, J.M., et al. 96

A self-reported survey of Alzheimer's centers in Southwestern Pennsylvania. Vergona, K.D. 164

A systematic review of oral health assessment by nurses and carers for residents with dementia in residential care facilities. Chalmers, J.M., et al. 227

DENTAL CARIES

Caries incidence and increments in Adelaide nursing home residents. Chalmers, J.M., et al. 96

A comparison of caries rates in non-institutionalized individuals with and without Down syndrome. Fung, K., et al. 302

Coronal and root caries in the older Iowans: 9- to 11-year incidence. Hamasha, A. A-H., et al. 106

Effect of 2% plain and fluoridated milk on root surface caries in vitro. Ivancakova, R., et al. 118

Xylitol in the prevention of oral disease. Kitchens, D.H. 140

DENTAL ENAMEL REMINERALIZATION

Effect of 2% plain and fluoridated milk on root surface caries in vitro. Ivancakova, R., et al. 118

DENTAL HEALTH PROGRAMS

Coronal and root caries in the older Iowans: 9- to 11-year incidence. Hamasha, A. A-H., et al. 106

DENTAL HYGIENISTS

Dental hygienists as providers in long-term care facilities. Pickard, R.B., et al. 19

DENTAL INSTRUMENTS

Development of a device for removing a partial denture in a patient with scleroderma. Sharon-Buller, A., et al. 234

DENTAL INSURANCE

The influence of dental insurance on institutionalized older adults in ranking their oral health status. Adegbembo, A.O., et al. 275

DENTISTRY, GENERAL PRACTICE

Non-clinical information obtained by dentists during initial examinations of older adult patients. Hawkins, R.J., et al. 12

DENTISTRY, GERIATRIC

Dental hygienists as providers in long-term care facilities. Pickard, R.B., et al. 19

Non-clinical information obtained by dentists during initial examinations of older adult patients. Hawkins, R.J., et al. 12

A self-reported survey of Alzheimer's centers in Southwestern Pennsylvania. Vergona, K.D. 164

What predicts oral health stability in a long-term care population? Smith. B.J., et al. 150

DENTISTRY, PREVENTIVE

Xylitol in the prevention of oral disease. Kitchens, D.H. 140

DENTURE, PARTIAL, REMOVABLE

Development of a device for removing a partial denture in a patient with scleroderma. Sharon-Buller, A., et al. 234

DISABLED PERSONS

Effect of reinforced laryngeal mask airway or endotracheal intubation anesthesia on adverse events: quality of life issues for dental patients requiring general sedation. Hung, W-T., et al. 188

People with disabilities: how are we going to meet their needs (Editorial)? Waldman, H.B., et al. 93

DOWN SYNDROME

Arbitrarily primed polymerase chain reaction for fingerprinting the genotype identification of *mutans streptococci* in children with Down syndrome. Barone, S., et al. 37

Cephalometric evaluation of children with Down syndrome after early intervention with the stimulating plate. Korbmacher, H., et al. 253

A comparison of caries rates in non-institutionalized individuals with and without Down syndrome. Fung, K., et al. 302

DRUG ABUSE

The perceptions of homeless people in Stockholm concerning oral health and consequences of dental treatment: a qualitative study. De Palma, P., et al. 289

E

EDENTULOUSNESS, PARTIAL

Anterior dental extractions among Dinka and Nuer refugees in the United States; a case series. Willis, M.S., et al. 193

EDITORIAL

Autism: acknowledging the heritable aspects of illness as possible barriers to successfully marshaling family assistance (Editorial). Friedlander, A.H. 177

The coming crisis in access to oral health care (Editorial). Holtzman, J.M. 273

Leadership building partnerships (Editorial). Shetty, K. 5

Oral health in aging societies: a global view (Editorial). Ettinger, R. 225

People with disabilities: how are we going to meet their needs (Editorial)? Waldman, H.B., et al. 93

The 2005 editor's report (Editorial). Ettinger, R.L. 137

EICHNER INDEX

Chewing ability of the long-term hospitalized elderly. Peltola, P., et al. 260

ELDERLY

Caries incidence and increments in Adelaide nursing home residents. Chalmers, J.M., et al. 96

Chewing ability of the long-term hospitalized elderly. Peltola, P., et al. 260

Coronal and root caries in the older Iowans: 9- to 11-year incidence. Hamasha, A. A-H., et al. 106

Dental hygienists as providers in long-term care facilities. Pickard, R.B., et al. 19

Factors associated with self-reported use of dental health services among older Greek and Italian immigrants. Marino, R., et al. 29

The influence of dental insurance on institutionalized older adults in ranking their oral health status. Adegbembo, A.O., et al. 275

Non-clinical information obtained by dentists during initial examinations of older adult patients. Hawkins, R.J., et al. 12

Nursing home executive directors' perception of oral care in long-term care facilities. Pyle, M.A., et al. 111

People with disabilities: how are we going to meet their needs (Editorial)? Waldman, H.B., et al. 93

Perceived need for dental care among dentate older individuals in Sri Lanka. Ekanayake, L., et al. 199

Perceptions of dental care need among African-American elders: implications for health promotion. Slaughter, A., et al. 158

What predicts oral health stability in a long-term care population? Smith. B.J., et al. 150

ETHNICITY

People with disabilities: how are we going to meet their needs (Editorial)? Waldman, H.B., et al. 93

Perceptions of dental care need among African-American elders: implications for health promotion. Slaughter, A., et al. 158

Racial differences in salivary sIgA concentrations in postmenopausal women, Johnson, R.B. 145

F

FAMILIAL TRANSMISSION OF DISEASE

Arbitrarily primed polymerase chain reaction for fingerprinting the genotype identification of *mutans streptococci* in children with Down syndrome. Barone, S., et al. 37

FLUORIDES, DIETARY

Effect of 2% plain and fluoridated milk on root surface caries in vitro. Ivancakova, R., et al. 118

FLUORIDES, TOPICAL

Adaptations of mouthguards for patients with special needs. Scott, L.K., et al. 296

FOLLOW-UP STUDIES

Arbitrarily primed polymerase chain reaction for fingerprinting the genotype identification of *mutans streptococci* in children with Down syndrome. Barone, S., et al. 37

FUNCTIONAL ABILITY

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

FUNCTIONAL DEPENDENCE

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

G

GENOTYPES

Arbitrarily primed polymerase chain reaction for fingerprinting the genotype identification of *mutans streptococci* in children with Down syndrome. Barone, S., et al. 37

H

HABITS

Prevention of habitual cheek biting: a case report. Romero, M., et al. 214

HEALTH PROGRAMS

Perceptions of dental care need among African-American elders: implications for health promotion. Slaughter, A., et al. 158

HIV

Thalidomide in the management of recurrent aphthous ulcerations in patients who are HIV-positive: a review and case reports. Shetty, K. 236

HISTORY TAKING

Non-clinical information obtained by dentists during initial examinations of older adult patients. Hawkins, R.J., et al. 12

HOMELESS PERSONS

The perceptions of homeless people in Stockholm concerning oral health and consequences of dental treatment: a qualitative study. De Palma, P., et al. 289

HOSPITALIZED PERSONS

Chewing ability of the long-term hospitalized elderly. Peltola, P., et al. 260

Nosocomial pneumonia and oral health. Shay, K., et al. 179

Oral care in intensive care units: a literature review. Jones, H. 6

I

IGA

Racial differences in salivary sIgA concentrations in postmenopausal women, Johnson, R.B. 145

IMMIGRANTS

Factors associated with self-reported use of dental health services among older Greek and Italian immigrants. Marino, R., et al. 29

IMMUNOGLOBULINA A, SECRETORY

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

INCISORS

Anterior dental extractions among Dinka and Nuer refugees in the United States; a case series. Willis, M.S., et al. 193

INFECTION, PULMONARY

Nosocomial pneumonia and oral health. Shay, K., et al. 17

INSTITUTIONALIZED PERSONS

Dental hygienists as providers in long-term care facilities. Pickard, R.B., et al. 19

The influence of dental insurance on institutionalized older adults in ranking their oral health status. Adegbembo, A.O., et al. 275

Nursing home executive directors' perception of oral care in long-term care facilities. Pyle, M.A., et al. 111

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

A systematic review of oral health assessment by nurses and carers for residents with dementia in residential care facilities. Chalmers, J.M., et al. 227

Patients with oropharyngeal cancer. A comparison of adults living independently and patients living in long-term care facilities. Epstein, J.B., et al. 124

What predicts oral health stability in a long-term care population? Smith. B.J., et al. 150

INTENSIVE CARE UNITS

Nosocomial pneumonia and oral health. Shay, K., et al. 179

Oral care in intensive care units: a literature review. Jones, H. 6

IOWA 65+ ORAL HEALTH STUDY

Coronal and root caries in the older Iowans: 9- to 11-year incidence. Hamasha, A. A-H., et al. 106

L

LEADERSHIP

Leadership building partnerships (Editorial). Shetty, K. 5

LONG-TERM CARE

Chewing ability of the long-term hospitalized elderly. Peltola, P., et al. 260

Dental hygienists as providers in long-term care facilities. Pickard, R.B., et al. 19

Nosocomial pneumonia and oral health. Shay, K., et al. 179

Nursing home executive directors' perception of oral care in long-term care facilities. Pyle, M.A., et al. 111

Patients with oropharyngeal cancer. A comparison of adults living independently and patients living in long-term care facilities. Epstein, J.B., et al. 124

What predicts oral health stability in a long-term care population? Smith. B.J., et al. 150

M

MALOCCLUSION

Cri du Chat Syndrome: a case report. Torres, C.P., et al. 286

MENTAL RETARDATION

Cri du Chat Syndrome: a case report. Torres, C.P., et al. 286

MENTALLY DISABLED PERSONS

Xylitol in the prevention of oral disease. Kitchens, D.H. 140

MILK

Effect of 2% plain and fluoridated milk on root surface caries in vitro. Ivancakova, R., et al. 118

MOUTH ABNORMALITIES

Adaptations of mouthguards for patients with special needs. Scott, L.K., et al. 296

MOUTH PROTECTORS

Adaptations of mouthguards for patients with special needs. Scott, L.K., et al. 296

MOUTH REHABILITATION

The perceptions of homeless people in Stockholm concerning oral health and consequences of dental treatment: a qualitative study. De Palma, P., et al. 289

MULTI-CENTER STUDIES

Perceptions of dental care need among African-American elders: implications for health promotion. Slaughter, A., et al. 158

A self-reported survey of Alzheimer's centers in Southwestern Pennsylvania. Vergona, K.D. 164

N

NATIONAL CONFERENCE ON SPECIAL CARE ISSUES IN DENTISTRY, 17TH ANNUAL

Abstracts. 56

Meeting agenda. 45

Meeting events. 43

NURSING HOMES

Caries incidence and increments in Adelaide nursing home residents. Chalmers, J.M., et al. 96

Nursing home executive directors' perception of oral care in long-term care facilities. Pyle, M.A., et al. 111

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

A self-reported survey of Alzheimer's centers in Southwestern Pennsylvania. Vergona, K.D. 164

NUTRITION

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

O

ORAL CARE

Nursing home executive directors' perception of oral care in long-term care facilities. Pyle, M.A., et al. 111

A self-reported survey of Alzheimer's centers in Southwestern Pennsylvania. Vergona, K.D. 164

ORAL HEALTH

The coming crisis in access to oral health care (Editorial). Holtzman, J.M. 273

Nosocomial pneumonia and oral health. Shay, K., et al. 179

Nursing home executive directors' perception of oral care in long-term care facilities. Pyle, M.A., et al. 111

Oral care in intensive care units: a literature review. Jones, H. 6

Oral health in aging societies: a global view (Editorial). Ettinger, R. 225

What predicts oral health stability in a long-term care population? Smith. B.J., et al. 150

Xylitol in the prevention of oral disease. Kitchens, D.H. 140

ORAL HEALTH IMPACT PROFILE-14 (OHIP-14)

Perceived need for dental care among dentate older individuals in Sri Lanka. Ekanayake, L., et al. 199

ORAL HEALTH PROGRAMS

Factors associated with self-reported use of dental health services among older Greek and Italian immigrants. Marino, R., et al. 29

ORAL HEALTH SURVEYS

Factors associated with self-reported use of dental health services among older Greek and Italian immigrants. Marino, R., et al. 29

The influence of dental insurance on institutionalized older adults in ranking their oral health status. Adegbembo, A.O., et al. 275

Perceived need for dental care among dentate older individuals in Sri Lanka. Ekanayake, L., et al. 199

Perceptions of dental care need among African-American elders: implications for health promotion. Slaughter, A., et al. 158

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

A self-reported survey of Alzheimer's centers in Southwestern Pennsylvania. Vergona, K.D. 164

A systematic review of oral health assessment by nurses and carers for residents with dementia in residential care facilities. Chalmers, J.M., et al. 227

ORAL HYGIENE

Nursing home executive directors' perception of oral care in long-term care facilities. Pyle, M.A., et al. 111

ORAL HYGIENE SURVEYS

A systematic review of oral health assessment by nurses and carers for residents with dementia in residential care facilities. Chalmers, J.M., et al. 227

ORTHODONTIC APPLIANCES

Adaptations of mouthguards for patients with special needs. Scott, L.K., et al. 296

P

PARENT-DENTIST RELATIONS

Autism: acknowledging the heritable aspects of illness as possible barriers to successfully marshaling family assistance (Editorial). Friedlander, A.H. 177

PARTNERSHIP

Leadership building partnerships (Editorial). Shetty, K. 5

PATHOGENS, RESPIRATORY

Nosocomial pneumonia and oral health. Shay, K., et al. 179

PERCEIVED NEEDS

Nursing home executive directors' perception of oral care in long-term care facilities. Pyle, M.A., et al. 111

Perceived need for dental care among dentate older individuals in Sri Lanka. Ekanayake, L., et al. 199

PNEUMONIA, BACTERIAL

Nosocomial pneumonia and oral health. Shay, K., et al. 179

PNEUMONIA, NOSOCOMIAL

Nosocomial pneumonia and oral health. Shay, K., et al. 179

POLYMERASE CHAIN REACTION

Arbitrarily primed polymerase chain reaction for fingerprinting the genotype identification of *mutans streptococci* in children with Down syndrome. Barone, S., et al. 37

PROGNOSIS

Patients with oropharyngeal cancer. A comparison of adults living independently and patients living in long-term care facilities. Epstein, J.B., et al. 124

Q

QUALITY OF LIFE

Effect of reinforced laryngeal mask airway or endotracheal intubation anesthesia on adverse events: quality of life issues for dental patients requiring general sedation. Hung, W-T., et al. 188

R

RACE FACTORS

People with disabilities: how are we going to meet their needs (Editorial)? Waldman, H.B., et al. 93

Racial differences in salivary sIgA concentrations in postmenopausal women, Johnson, R.B. 145

REVIEW LITERATURE

Oral care in intensive care units: a literature review. Jones, H. 6

RISK FACTORS

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

S

SALIVA

Racial differences in salivary sIgA concentrations in postmenopausal women, Johnson, R.B. 145

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

SCLERODERMA

Development of a device for removing a partial denture in a patient with scleroderma. Sharon-Buller, A., et al. 234

SELF IMAGE

The perceptions of homeless people in Stockholm concerning oral health and consequences of dental treatment: a qualitative study. De Palma, P., et al. 289

SELF MUTILATION

Prevention of habitual cheek biting: a case report. Romero, M., et al. 214

SPECIAL CARE IN DENTISTRY

The 2005 editor's report. 137

SRI LANKA

Perceived need for dental care among dentate older individuals in Sri Lanka. Ekanayake, L., et al. 199

STIMULATING PLATE THERAPY

Cephalometric evaluation of children with Down syndrome after early intervention with the stimulating plate. Korbmacher, H., et al. 253

STREPTOCOCCUS MUTANS

Arbitrarily primed polymerase chain reaction for fingerprinting the genotype identification of *mutans streptococci* in children with Down syndrome. Barone, S., et al. 37

Xylitol in the prevention of oral disease. Kitchens, D.H. 140

STRESS, PSYCHOLOGICAL

Salivary sIgA and cortisol: markers for functional dependence in older adults. Lawrence, H.P., et al. 242

SUDANESE

Anterior dental extractions among Dinka and Nuer refugees in the United States; a case series. Willis, M.S., et al. 193

SURVIVAL RATES, 5-YEAR

Patients with oropharyngeal cancer. A comparison of adults living independently and patients living in long-term care facilities. Epstein, J.B., et al. 124

T

THALIDOMIDE

Thalidomide in the management of recurrent aphthous ulcerations in patients who are HIV-positive: a review and case reports. Shetty, K. 236

TIC DOULOUREAX

Trigeminal neuralgia with intraoral trigger points: report of two cases. Fabiano, J.A., et al. 206

TOOTH EXTRACTION, RITUAL

Anterior dental extractions among Dinka and Nuer refugees in the United States; a case series. Willis, M.S., et al. 193

TOOTH ROOT

Coronal and root caries in the older Iowans: 9- to 11-year incidence. Hamasha, A. A-H., et al. 106

Effect of 2% plain and fluoridated milk on root surface caries in vitro. Ivancakova, R., et al. 118

TRIGEMINAL NEURALGIA

Trigeminal neuralgia with intraoral trigger points: report of two cases. Fabiano, J.A., et al. 206

U

UTILIZATION OF DENTAL CARE

Factors associated with self-reported use of dental health services among older Greek and Italian immigrants. Marino, R., et al. 29

What predicts oral health stability in a long-term care population? Smith. B.J., et al. 150

W

WOMEN, POSTMENOPAUSAL

Racial differences in salivary sIgA concentrations in postmenopausal women, Johnson, R.B. 145

WORLD HEALTH ORGANIZATION

Oral health in aging societies: a global view (Editorial). Ettinger, R. 225

X

XYLITOL

Xylitol in the prevention of oral disease. Kitchens, D.H. 140
